

The Scheme is a member of Mid Somerset Car Scheme Partnership.

If you need a lift with the Scheme please give 48 hours notice by phoning the Scheme Coordinator 07799487719. If an answer-phone answers you please leave your number and message.

The co-ordinator will let you know if there is a driver available and the cost of the trip. All fees should be paid to the driver before the journey and she/he will issue you with a receipt. You are also responsible for any parking charges incurred. Drivers will normally wait 45 minutes at a destination but longer waits require prior agreement or the booking of a separate return journey. No smoking is allowed in volunteer drivers' cars.

Residents in Keinton Mandeville and Kingweston who are without their own transport and have difficulty with public transport may use this scheme.

The committee reserve the right to change any details in this leaflet without notice.

Please use this personal and friendly service.
